

PRODUCT INFORMATION

A Product of Valvoline Cummins Pvt. Ltd.

Valvoline HIDRAIN TH 46

PRODUCT DESCRIPTION

Valvoline HIDRAIN TH 46 Oil is a premium quality, high performance hydraulic oil formulated with selected base oils and additives for extended drain intervals. The product is fortified with a **highly shear stable special viscosity index improver** which ensures optimum viscosity under wide range of operating temperature.

Valvoline HIDRAIN TH 46 exhibits excellent anti-wear and corrosion protection properties, outstanding oxidation and thermal stability, good foam control as well as good water separation characteristics.

APPLICATIONS

Valvoline HIDRAIN TH 46 is recommended for all hydraulic applications including critical systems in industrial and mobile equipment using high pressure vane, gear & piston pumps. It is suitable for use in various types of earthmoving equipment working in harsh environment and subjected to extreme temperature variations.

Valvoline HIDRAIN TH 46 is specially recommended for excavators and other civil engineering, agriculture, marine, transport and other industrial applications.

PERFORMANCE STANDARDS

- Dennison HF-0, HF-1, HF-2
- DIN 51524 Part III
- Eaton Brochure 03-401-2010
- General Motors LS2
- MAG IAS P-70
- Bosch Rexroth RDE90240 Basic Level Approval
- US Steel 126,127
- ISO 11158
- ASTM D6158

PERFORMANCE BENEFITS

- Extended Service Life – Reduced maintenance costs
- Optimum viscosity at wide operating temperatures
- Excellent anti-wear properties
- Outstanding thermal and oxidative stability
- Good demulsibility
- Excellent protection against rust & corrosion

TYPICAL CHARACTERISTICS

ISO VG	46
Kinematic Viscosity, cSt @ 40°C	46.9
Viscosity Index	151
Flash Point, COC, °C	218
Pour Point, °C	-33

Available Pack: Consult your Valvoline Representative
